

Dear Customer

Please complete this form with details of the “end of life” PR products that you wish to have recycled. We will assess the list of products and locate the most suitable recycling facility. In accordance with PR electronics’ Global Producer Responsibility Statement and our legal obligations, recycling costs are free of charge, but a collection charge may apply.

Any questions do not hesitate to contact us at [ga@prelectronics.com](mailto:ga@prelectronics.com)
